\* All applicants must obtain prior consent from their prospective supervisors before submitting their application. This is to ensure that students can receive proper supervision for their desired research topic during their study at KUAS.

### ► Application Eligibility

#### a) Academic Entry Requirements:

Applicants must have graduated from a university, completed a 16-year education, or completed a program designated by the Minister of Education, Culture, Sports, Science and Technology of Japan. For more details, please download the Application Guidelines from the official KUAS website.

#### b) English Language Requirements:

Applicants must meet the minimum scores stated in the table below. At KUAS' Faculty of Engineering, English is the language of instruction. KUAS does not offer an English as a Second Language (ESL) program. Therefore, all applicants must prove that they can thrive in an English academic environment before enrollment. KUAS accepts the following English proficiency test scores.

Test	TOEFL	IELTS	PTE	Duolingo English Test
Minimum Score	Internet-based (iBT): 80	Academic overall band score: 6.0	Academic: 50	105

\* KUAS also accepts TOEFL iBT Special Home Edition and IELTS Indicator.
